

# Caring for your floor

Winchester Hardwood Flooring

# Welcome

At Winchester Hardwood Flooring we don't just want to sell you a floor and forget about you. Our after sales service will make sure you fully understand how, and why it is important you make sure your floor is cared for and cleaned with the right products.

Not only can we offer you a wide range of cleaning and maintenance products delivered to your door, we can arrange annual cleaning and recoating service which will prolong the life of your floor. If your floor is beyond a good old clean our recommended fitters can offer a dust free sanding service which will transform that tired looking floor, and bring it back to its former glory.

So if it's a new floor and you are unsure what to do or that old floor needs some love and attention please just pick up the phone where one of our representatives will be only too happy to help.

Regards from all our staff at,  
Winchester Hardwood Flooring.

# Care & Maintenance

A wooden floor is a big investment and if looked after correctly will last many years without expensive repairs. Prevention is always better than a cure.

It is very important to keep your floor clean. The result of people walking on a dirty and dusty floor is no different to a high-powered sander at work!

Use a soft brush or vacuum cleaner with a soft floor attachment to keep your floor free from abrasive particles. A good doormat will help stop grit being introduced to your floor. We also recommend that all chairs be fitted with felt pads as this will help prevent scratches

## Treatex® Products

**Treatex Hardwax Oil preserves and enhances the appearance of all types of internal joinery from floors and doors to kitchen worktops. Treatex finishes are extremely durable, easy to apply and by carefully selecting the raw materials they use they ensure their products are environmentally friendly.**

*Naturally Superior Finishes*

**Bona is committed to lasting results, and to building strong and long lasting relationships with all types of customer.**

That's why they offer Lifetime Support. This is a reassurance from them that they will help you preserve a perfect surface for your floor throughout its lifetime. This offer is what makes Bona unique. Their support is their way of sharing experience and expertise to help you maintain a perfect surface - wherever the floor is located - and throughout its lifetime.

*Check out Bona's complete range of products – the Bona System*

### **Wood Floor Cleaning Kit**

A must have for your first floor. Boxed starter kit comprising of a Bona 4 piece mop with handle, one washable Bona Cleaning Pad and a 1 litre spray bottle of Bona Wood Floor Cleaner.

### **Wood Floor Cleaner**

Bona Wood Floor Cleaner is specially formulated for sealed wooden floors. This is a convenient, ready to use, pH neutral, spray-on cleaner which is also suitable for laminate, waxed and oiled floors.

The special 'non-streaking' formulation leaves no build-up of sticky residue whilst effectively cleaning the toughest of dirt and grime. Compatible with Bona Wood Floor Refresher and many other types of maintenance coatings including polishes. Suitable for both residential and commercial use.

### **Wood Floor Cleaner Refill**

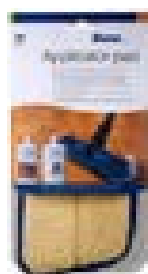

4 Litre refill for Bona Wood Floor Cleaner spray bottle. Ready to use "non-streaking" formulation

### **Wood Floor Refresher**

A specially formulated waterborne maintenance coating for all un-waxed finished floors which are dull, scratched or show signs of wear.

Bona Wood Floor Refresher restores the beauty of wooden floors, increases the sheen and makes old floors look like new.

### **Bona Applicator Pad**

Bona Applicator Pad, designed for the application of Bona Wood/Hard Floor Refresher. Washable and reusable and attaches to the Bona Mop with Velcro-like strips.

**Bona Lifetime Support**  
*Committed to lasting results*

# Testimonial

“From the minute I set foot in the showroom I found these guys to be very friendly, extremely knowledgeable and easy to have in my home.

They were helpful with the decision-making and made sure that I was purchasing something that would meet my requirements and not just selling me the most expensive solution. They completed my wooden floor totalling around 45m<sup>2</sup> and clad my stairs in the same wood, which looks fantastic. For four days I had the fitters in my house, which for some people can be a bit daunting. The fitters were on time every morning, clean, tidy and even washed their mugs up at the end of the day. They are obviously very passionate about what they do and that definitely shows in their workmanship and the end result. The fitters spent ten minutes with me on the final day to run through the dos and don'ts of cleaning the floor. They made it sound so easy and simple, and I am glad to say, "it is". A Hoover and a mop is all I have in my cupboard alongside the floor care soap. I didn't realise it would be so simple.

Again a massive thank you for your service, and I have already been singing your praises to my friends who I'm sure will come to you when they need a floor. ”

Many Thanks

Mrs J Green
